FUNMILAYO FAYEMI

Frontend Developer and Software Engineer

• 📞+2349077710685   • ✉ funmmy565@gmail.com   • in Linkedin   • ⌗ Github   • 📍Lagos Nigeria

Summary

I am an enthusiastic Frontend Developer proficient in HTML, CSS, JavaScript and Typescript, specializing in React, React Native and Next.js.

I am passionate about crafting intuitive user interfaces and staying updated with industry trends. I am also eager to contribute innovative solutions to frontend development projects.

Experience

Health Bench
Frontend Developer

Remote (Part Time)

08/2024 - 11/2024

- • Developed an intuitive patient management interface that simplified scheduling and tracking of appointments, resulting in a 20% increase in user satisfaction.
- • Implemented responsive design improvements for mobile and tablet views, improving accessibility and usability for healthcare professionals on the go.
- • Created real-time analytics dashboards for monitoring patient metrics and clinical outcomes, enabling timely decision-making and operational efficiencies.

01 Technologies
Frontend Developer

Lagos Nigeria (Full-time)

05/2024 - 08/2024

- • Self-engineered an admin dashboard and inventory management to streamline internal processes and improve team productivity
- • I work very closely with backend developers to implement features that boosts business growth and improve users satisfaction.

Codeweb Project Solutions
Frontend Developer | Intern

Lagos, Nigeria (Part Time)

08/2023 - 05/2024

- • I contributed to frontend development projects as part of a dynamic internship team, gaining real-life experience in frontend development.
- • I led the development of multiple web application projects for the frontend team, while also providing guidance and support to fellow frontend interns.
- • I built a dashboard and collaboration application solely for my team's usage
- • Technologies Used: React.js , React Native, JavaScript, Tailwind Css, Bootstrap, Git and Github

DCA
Frontend Developer

Remote (Contract)

02/2024 - 04/2024

- • I collaborated with a team of developers to create a cutting-edge frontend project for a coding institute, implementing responsive design for hundreds of users using HTML, CSS, and JavaScript.
- • I contributed to the design and implementation of innovative features, ensuring a smooth user experience and delivering high-quality applications tailored to client specifications.

Splendid Academy
Coding Instructor

Lagos, Nigeria

02/2023 - 07/2023

- • I guided aspiring frontend developers at a coding academy, providing personalized guidance and support in mastering HTML, CSS, and JavaScript.
- • I facilitated interactive coding sessions and code reviews, fostering a collaborative learning environment and empowering my students to build impactful web projects.
